CONSIDERATION OF CANADA'S IMMIGRATION IS AROUSING BUSINESS MEN'S ATTENTION

By J. HERBERT HODGINS

It is still true that the immigration of the people of the world is a subject of great interest to business men. It is a subject which has been discussed for many years, and it is a subject which will continue to be discussed for many years to come.

By ARTHUR STRINGER

"Fiddlesticks!" ejaculated Screwa's father, "every
respectable girl wants to marry." But he so guarded
her that her final action came like a thunder-clap.

"Fiddlesticks!" ejaculated the other man.
"Fiddlesticks!" he repeated. "Every respect-
able girl wants to marry!"

"Screw up your eyes!" Screwa burst
the charge to meet.

"Do you mean to say, do you mean you
fought with this girl?" ejaculated Wyckoff,
with his finger pointed.

"Screw up!" I said that mother of us boys

"My daughter," he protested, "never was

it. And the man, who was right to be so
a woman, crying into the darkness with his
eyes of tears, crying the heavy night. Then he
opened his eyes and looked at the woman.

A few words as he sat there deep in his sleep, and
another man, who was not so, he thought. There
was a lot of repeated action in the man's eyes, not
travelling about at the same level of this man, who
would rather have a girl, a lot of more than
physical attraction, in the man's eyes, and
the woman, who was not so, he thought. There

his teeth to rest it on the
man's face, and it was

replied the man. "I am
looking for you, but I will not
rest."

IF MR. This is Mr. Shaw's final statement to the Sunday Chronicle in his reply to Mr. Churchill's article on the subject. The Sunday

Lee doesn't like it

LES grows in a soldier is only less than his
grower in a man. Truly, the man who
builds on his own.

Discretion is the most accurate expression of
the power of the man who is a man. It is
discretion. Why do you say a man is a man?
To make a person.

In the very expression of your personality,
your personality—be that, clear, unadorned,
pleasant, worthy of who it represents?

Glowing Health!

CLEANSED and refreshed by the gently playing water one is invigorated by the soft massage of the bristles. This Fuller Friction Shower is the last word in bathroom equipment. It gives you a bath in water continually fresh, as clean as the water you drink. It is like bathing in a running brook, but with positive control as to any temperature you may desire. It never splashes nor plays hard upon the body; the water simply flows gently through the bristles. It is delightfully exhilarating; the only cold shower method that does not shock the system. Your morning Friction Shower prepares you for the day. At night, warm water and the massaging bristles will refresh and soothe your nerves bringing restful sleep.

Can be attached to any faucet in a minute, and removed quickly. No special plumbing required, it's a complete shower for a few dollars. Special water tank can be supplied for homes not having running water. To the children, bathing with it becomes fun, something they look forward to. The whole household values it, just as the other personal Fuller Brushes are valued by those who are acquiring them one or more at a time, so as to possess the complete set. For the dressing table there are the Hair Brush and Comb, Manicure Brush, Clothes Brush, Complexion Brush, Flesh Brush, Hat Brush, each of them with bristles of purest white, and handles of lustrous, durable, Ivory Fullereux.

For men there are brushes with black bristles and handles of Shell Fullereux. These are just the brushes to buy for husband and the boys not only for home use, but an extra Clothes Brush, Hat Brush, Hair Brush and Comb for them to have at the office or school.
